

Welcome to Enzo Clinical Labs, a full service clinical reference laboratory. We are one of the leading regional labs in the country, as we combine the extensive testing capabilities of a large laboratory with the convenience and personalized service of a local one. Enzo was one of the area's first laboratories to be awarded the prestigious College of American Pathologists (CAP) accreditation. This award indicates that Enzo has passed an extremely rigorous series of inspections far more sophisticated than those mandated by licensing authorities.
